If the shareholder decides to vote in different manners from his/her shares held, he or she shall indicate in the appropriate section the number of shares from which the proxy is instructed to vote “for”, “against” or “abstaining”. If no indication is given about the number of shares, the proxy will be deemed to be authorized to vote as instructed from all the shares held by the shareholder. If the section “Other” is marked, the shareholder should define in that section the instructions on how the proxy is required to exercise the voting right.
